ABOUT US

Maybe, many of us have a dream. Our common dream was to create a place where YOU - our guests - can enjoy homemade pancake prepared always with a smile on our faces in peace and harmony.

Whole family, couple of friends and many other people were involved in this dream realization. During the first year the "pancake factory" was maintained by my daughter Barbora with her boyfriend Honza. By this I want to thanks both of them.

In our philosophy we place emphasis on fair behaviour. We place the emphasis between us, you - our guests, suppliers and at last but not at least to the nature. When we are selecting suppliers or raw materials we try to choose local, fresh and fair - in ideal scenario we try to buy them directly from the local manufactures.

Our offer is prepared in way that everybody can find his taste. From children, through adults fans of typical Czech sweet cuisine, healthy eaters, vegans, and at the end to the ones who prefer the meals without gluten or lactose. We try to have something for everybody.

You can be sure that all cakes, either sweet or savoury, are prepared directly by us in our kitchen. Pancakes are fresh, homemade fresh-fruit lemonade is from fruits and without any flavouring agents, vegetable soup is truly from vegetables and accessible also for vegans or gluten-free people. But you can enjoy it even if you don't think about such aspects.

We would be pleased if every of your visit shall be accompanied by pleasant atmosphere of the home environment, on which we put a special emphasis. Almost everything you can see around is prepared by the family members during the weekends on cottage. In every piece you can find the little part of us. Part of me, my boyfriend, my daughter or our grandma and grandpa.

We seeks to make a positive attitude towards improving and deepening interpersonal relationships and generations interconnections. Therefore we would be pleased if you will bring to our pancake factory your friends, girlfriend, new boyfriend, daddy, schoolmate, grandson, mates, grandma, husband, teacher, your beloved children, grandpa, colleague from work, mom... Talk, chat about nothing, experience and share together.

ABOUT OUR SUPPLIERS

Because we prepare all kinds of goodies for you, we care from where the raw materials come from.

Every week we received coffee from the oldest cafeteria in central Europe - Mamacoffee. Their products have "Fairtrade" and "Direct trade" labels. These labels then guarantee fair business conditions, human and labor rights respect and also environmental friendliness.

Teas are from our honest producer called "Eliya". The grain drink is in bio quality from the product-line "Biolinie". We care also while choosing the musts - for these, we picked for you "Lounský mošt" and also "Polabský mošt" and also Magnetic Apple ciders.

For the quick refreshment, we recommend premium tonics and garden lemonades made by Bohemsca.

To your cold beverages we give you drinking straws made from straw by czech brand We-Straw.

The pancake dough is prepared from the flour which is ground on the nearest mills called "Mlýny J. Voženílek" in the town Předměřice nad Labem and buckwheat flour comes from the mill named "Šmajstrla" where they manufacturing only buckwheat - so this flour comes directly from the naturally gluten-free environment. Nevertheless we cannot guarantee gluten-free buckwheat pancake by 100%.

Last but not least, we get several goodies from the firm called "Dobrotám od tetičky" where the marmalades, chutneys and finest pesto is prepared truly with love. Chocolate from which we prepare the hot desserts is coming from family firm BonBon located in Vysočina, as well as the Nutella twin - Babeta, in which we have fallen in love. Caramel from Vašek from Český Krumlov is great as well! We have fallen in love with Iceland traditional Skyr yoghurt made in Bohušovice's milk factory.

It is an honor to serve "Miletínské modlitbičky", which are manufactured close to Hradec Králové. The Malý Princ macaroons from Černilov are sent to us by mom Radka - she has found a new sense of life by this.

In this place, we would like to thank all our suppliers and to other affiliated companies.
